Bhushan Industries is supplying its products to various industries like Railways, Automotives, Scaffoldings, Valves & Pumps, Tractor, Earth Moving Parts, Aerospace and Agriculture etc.

Machinery

- Shearing
- Bend Saw
- Furnace
- Drop Forge Hammer 1 Ton
- Drop Forge Hammer 2 Ton
- 4" Upsetter Forging Make ACME
- Power Presses 250 Ton
- Power Presses 200 Ton
- Power Presses 100 Ton
- Power Presses 50 Ton
- Power Presses 30 Ton

Machinery

- CNC Turning Center
- Center Facing Machine
- Vertical Milling Machine (VMC)
- Shot Blast Machine
- Hand Operated Grinders
- Belt Grinders
- Welding Set
- MIG Welding Set
- Material Handling Hoist 1 Ton & 2 Ton

Hardening & Tempering Heat Treatment Furnace

- Rotary Furnace 6 Tons/Day
- Brinell Hardness Tester
- Megnetic Particle Inspection – NDT
- Microscope

Tool Room

- Lathe Machine
- Shaper
- Vertical Milling Machine
- Vertical Machining Center (VMC)
- Surface Grinder
- Hand Grinder
- Surface Plate - Casting

Standard Room

- Well Equipped Standard Room
- Surface Plate – Granite

Metallurgical Laboratory

- In-house Metallurgical Laboratory

-  **SOLIDWORKS**
-  **WorkNC[®]**

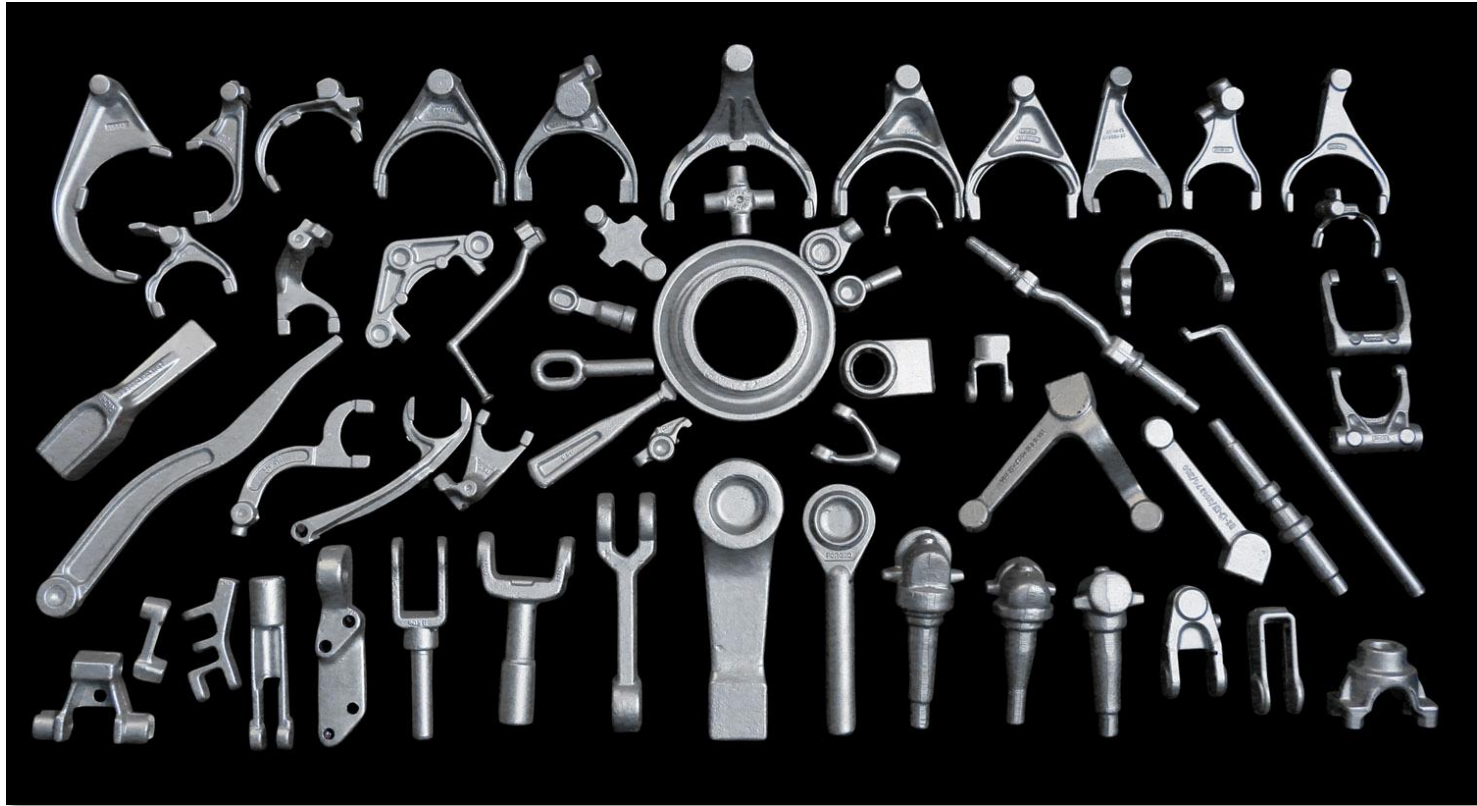

Power Section

- Genset 320KVA

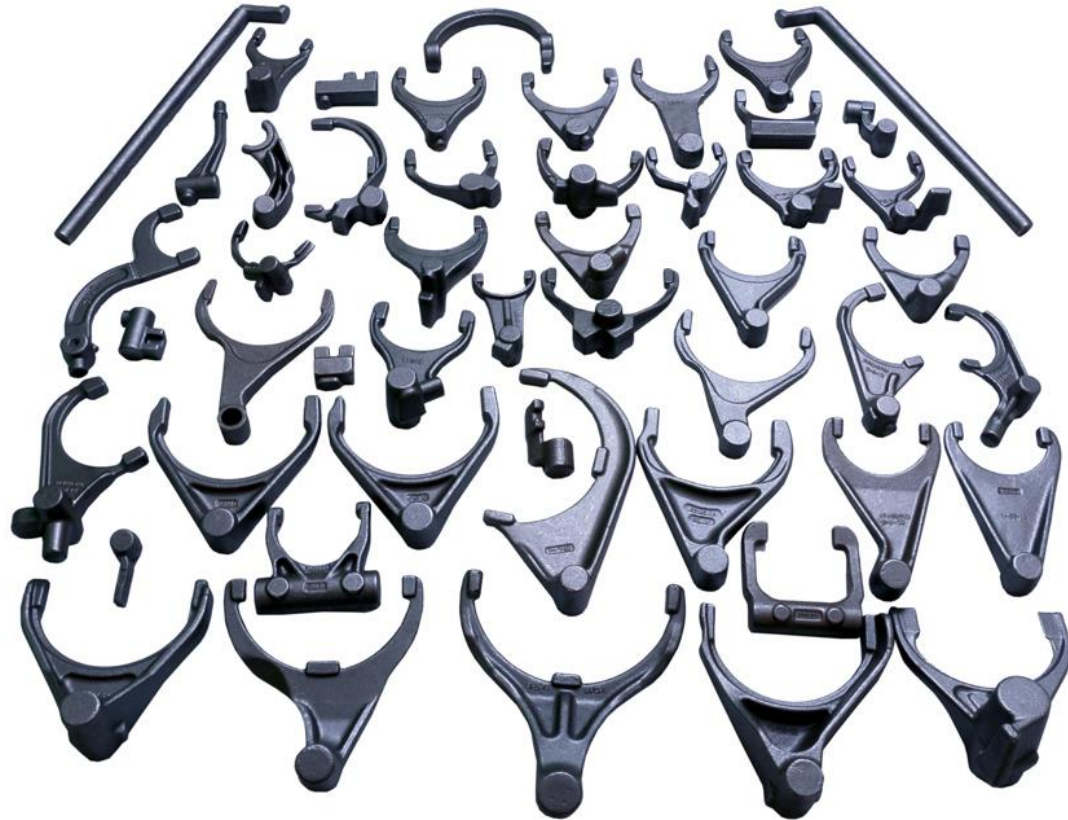

Cummins Sudhir Power Diesel Generator
